

## Low Cost Generic Program for 2020

TEAMStar Medicare Part D (PDP) is committed to providing valued union members, such as yourself, the savings and convenience you deserve. Using generic medications may help control some of your prescription drug costs. Not only are generics safe and effective, you can also enjoy the added convenience of union pricing through our Low Cost Generic Program. If you are a member of TEAMStar Medicare Part D (PDP), you can get all Tier 1 Generics filled at one of our Union-Designated pharmacies for only \$5. Below is a partial listing of some of the most highly utilized drugs offered under the Low Cost Generic Program. Please be aware that some medications listed may be subject to Prior Authorization, Step Therapy or Quantity Limits. Please consult the comprehensive formulary for more information.

To find out if generics are available for the brand drugs you are currently taking, talk to your doctor or pharmacist. If you have questions about drugs included in Low Cost Generic Program or to locate the closest Union-Designated Pharmacy, call us at **1-866-524-4173 (TTY 711)**.
