

## Low Cost Generic Program for 2017

TEAMStar Medicare Part D is committed to providing valued union members, such as yourself, the savings and convenience you deserve. Using generic medications may help control some of your prescription drug costs. Not only are generics safe and effective, you pay as little as \$2 for a 30-day supply.

Enjoy the added convenience of union pricing. If you are a member of TEAMStar Medicare Part D, you can get certain Generics filled at one of our Union-Designated pharmacies for only \$2. Below is a listing of Generics that are currently available under this program as of 2017.

Any discussion about medications should start with your doctor or pharmacist, and using generics should be a joint decision. If you're interested in lowering your out-of-pocket costs, make a list of the medications you currently take and review it with your doctor to see if generic equivalents are available.

If you have a question please call **TEAMStar Medicare Part D at 1-866-524-4173**. (TTY 1-866-524-4174.)

Our customer service representatives can confirm if your medication is part of the Low Cost Generic Program and they can help you can find the closest Union-Designated Pharmacy. Below is a complete listing of drugs offered under the Low Cost Generic Program. Please be aware that some medications listed may be subject to Prior Authorization, Step Therapy or Quantity Limits. Please consult our formulary at <http://www.teamstarpard.com> for more information.
